We are grateful to have member participation and encourage all to attend our member meetings on the beach. We are open to everyone's input.

### **Housekeeping**

Sebago Dock & Lift will put in the Boat docks by Memorial Day.

Volunteers are needed/welcome to help with the swim ropes, float, dock, volleyball net table etc. by June meeting. We also would need the same assistance to take out these items Labor Day weekend.

## **Clean up**

Please remember to keep our beach (and roads) clean. As it is used by many of our members daily throughout the summer, it won't be perfect, but we can all take care of our own trash and occasional miscellaneous items that are left behind. The view will be much more enjoyable for all.

## **Respect**

Please respect all our neighbors with noise levels and trespassing. We all love our special community for several reasons, so let's continue to make it a place we can all enjoy.

## **Events**

Events are created by LIS members on a volunteer basis. We welcome all members to participate in helping with all events especially the Annual Potluck which has been a long-standing tradition. If you are interested in volunteering in any way, please contact one of the Board members.
